

UX/UI designer and PhD student in Rhetoric & Professional Communication at Iowa State University. I bring a researcher's curiosity and a communicator's clarity to design, with a background in user research, iterative prototyping, and usability evaluation. My experience in teaching and linguistics informs how I listen to users and translate complex needs into intuitive, accessible interfaces.

Work Experience

Teaching Assistant - Department of English, Iowa State University

Aug 2025 - Present

- Teach two sections of ENGL 1500 & 2500 (Critical Thinking & Communication) & (Written, Oral, Visual, and Electronic Composition)
- Assess and provide feedback on student writing and multi modal projects, supporting learning outcomes in written, oral, visual, and electronic communication.

Parks Library Study Room Booking Redesign, Iowa State University · IE 5720

Feb 2026 - May 2026

- Conducted user research through semi-structured interviews to identify key usability pain points in the current booking system.
- Designed iterative prototypes using a user-centered design approach, from paper prototypes to high-fidelity Figma designs.
- Evaluated the redesign through a controlled within-subjects study (n=9), demonstrating statistically significant improvements in task completion time and error reduction.

Education

Iowa State University

PhD student in Rhetoric & Professional Communication

Chamran University of Ahvaz

B.A. in English Literature

Certificates

Coursera

Google UX Design Professional Certificate

UX LAND Online Boot Camp

UX & UI Design Project-based Training Program

Languages

Persian: Native

English: Scored 105 in TOEFL IBT test

Skillset & Software

Software

- Figma
- Miro
- Optimal Workshop
- Canva
- Adobe Photoshop
- Trello
- 3D Max & V-Ray

Methods

- Developing Survey
- User Interview
- Affinity Mapping
- Competitive Analysis
- Heuristic Evaluation
- Card Sorting
- Rapid Prototyping
- A/B Testing
- Usability Testing
- Iterations

Deliverables

- UX Research Report
- Task Flow & User Flow
- Scenario & Persona
- Storyboard
- Site Map
- Mood Board
- Visual Style Guide
- Wireframes and Mockups
- Presentation
- Interactive Prototype
